

PATIENT EDUCATION

About The Program

The ASGCT [Patient Education](#) program provides accurate, reliable, and accessible information about gene and cell therapies to patients and the public. ASGCT collaborates with patient advocacy groups to make sure the information is clear and useful, while members of the ASGCT Patient Outreach Committee use their expertise in the field to provide scientific accuracy. Impact and Growth

200,000+
VIEWS

Since launching in January 2018, ASGCT's educational videos have been viewed more than 200,000 times.

20
EXPERT SOURCES

The Society's scientific volunteer members ensure accurate information.

4 mins
OF INTERACTION

The average time on a Patient Education web page is over 4 minutes!

From October 1 - December 31, 2020 there were:

23,000+
VISITS

To the Patient Education website, which is almost 25 percent of total ASGCT website traffic!

44%
OF VISITS
Are for [Gene Therapy 101](#).

26%
OF VISITS
Are for [Disease Treatments](#).

“We use your Gene Therapy Basics video. It's absolutely fantastic—very user-friendly and very easy to understand.”
–Patient Advocate

“We were able to utilize your resources as factually informative around gene therapy and because it is just exceptionally good.”
–Patient Advocate
